## EDUCATION

Bachelor of Science - BS, Major , Montclair State University

May 2026

- **GPA:** 4.0/4.0
- **Related Coursework:** Fundamentals of Java Programming I & II, Python Programming I, Discrete Mathematics, Calculus I
- **Awards:** Dean's List - Fall 2022 & Spring 2023

## SKILLS

- **Programming Languages:** Java, Python, Javascript, HTML5, CSS, Bash
- **Tools & Frameworks:** Git, Github, Bootstrap, jQuery

## WORK EXPERIENCE

Information Technology Intern,

Jun 2022 - Aug 2023

- Developed a time-correction Python Script using ntplib that executes on startup that allows for seamless time synchronization between the systems clock and the current time zone eliminating manual intervention.
- Developed a Python script that eliminated manual Wi-Fi connection by automating secured network connections within range, enhancing security by not attempting unsecured networks removing the need for manual connection to the network.
- Efficiently disassembled and reassembled room setups to enhance and optimize teacher computer connections, while effectively troubleshooting and resolving issues with computers to ensure smooth functionality.

## PROJECTS

- **MSU Computing Club Website** - Developed a dynamic multi-page website utilizing HTML5, CSS, Javascript, Bootstrap, and jQuery to effectively showcasing club information such as general information, meeting times, and board member profiles. **View Here:** <https://msucomputerclub.netlify.app/>
- **Ecommerce Website** - Built an ecommerce website using HTML5, CSS, JavaScript, and Bootstrap highlighting coding courses, professors, and interactive cart and sign-up sheet ensuring a user-friendly experience. **View Here:** <https://github.com/Cadeprok/Ecommerce-Website>

## LEADERSHIP EXPERIENCE

Treasurer, MSU Computer Club

Sep 2022 - Present

- Developed an automated spreadsheet with user-input functionality, enabling real-time updates and status tracking through convenient dropdown menus.
- Led oversight of SGA budget requests and proposals, ensuring prudent allocation of funds and collaborating closely with the school treasurer to finalize strategic purchases.
- Actively engaged with eboard members, fostering a collaborative environment to plan and execute diverse workshops and engaging giveaways, contributing to the seamless success of various events.
